Hill Middle School
451 Clermont Street
Denver, CO 80220

Dahlia Campus for Health and Well Being
3401 Eudora St
Denver, CO 80207

Positions filled for 2017/2018 academic year. Please check back in the future!

Program Description:

The MHCD School Based Program provides culturally sensitive, trauma informed and family-focused interventions which are specifically tailored to the needs of the individual. We provide clinical services such as individual, family and group therapy in addition to prevention and consultation services. The School Based internship position located at Hill Middle School serves adolescents ages 11 through 14.

Title and Hours required:

☐ School Based Clinical Student

☐ A minimum of 10 hours per week (15-20 hours preferred) along with a 9-12 month commitment. The placement follows the academic year and begins in the Fall (August or September).

☐ Applications are accepted beginning in February for the upcoming year's placement with interviews typically occurring in March.

Minimum Qualifications and # of openings:

☒ 2nd Year Master's or Doctoral Students in Psychology, Social Work, Family Therapy, or other related human services field with an emphasis on clinical work.

☒ 1 opening

Student Supervisor's Credential Level:

☒ 1 LCSW Supervisor

☒ 1 LCSW Program Manager

Duties of Placement and Miscellaneous Information:

Following an initial period of training and shadowing opportunities, the student position will ultimately participate in all core clinical services offered through our School Based Program. These duties will be tailored to the developmental level and training interests of individual students and may include initial assessment and diagnosis, individual therapy, family therapy, group therapy, play therapy, case management, and psycho-education. The student will participate in a minimum of 1 hour of weekly individual supervision while also having the opportunity to participate in additional small group supervisions, case consultations, internal agency trainings and team meetings.
