

Clinical Student Intern – Child and Family School Based Program

McGlone Academy
4500 Crown Boulevard
Denver, CO 80239

Dahlia Campus for Health and Well Being
3401 Eudora Street
Denver, CO 80207

Positions filled for 2017/2018 academic year. Please check back in the future!

Program Description:

The MHCD School Based Program provides culturally sensitive, trauma-informed and family-focused interventions which are specifically tailored to the needs of the individual. We provide clinical services such as individual, family and group therapy in addition to prevention and consultation services. The School Based internship position located at McGlone Academy serves adolescents ages 4 through 13 (ECE-7th grade).

Title and Hours required:

School Based Clinical Student

-20 hours preferred) along with a 9-12 month commitment. The placement follows the academic year and begins in the Fall (first student day is 8/17/2017).

-Resumes are accepted beginning in February for the upcoming year's placement with interviews typically occurring in March.

Minimum Qualifications and # of openings:

2nd Year Master's or Doctoral Students in Psychology, Social Work, Counseling, or other related human services field with an emphasis on clinical work.

Student Supervisor's Credential Level:

LPC Supervisor

Duties of Placement and Miscellaneous Information:

Following an initial period of training and shadowing opportunities, the student intern will ultimately participate in all core clinical services offered through our School Based Program. These duties will be tailored to the developmental level and training interests of individual students and may include initial assessment and diagnosis, individual therapy, family therapy, group therapy, play therapy, case management, and psycho-education. The student intern will participate in a minimum of 1 hour of weekly individual supervision while also having the opportunity to participate in additional small group supervisions, case consultations, internal agency trainings and biweekly team meetings.
