

Student Intern – Program Evaluation

Location:

4141 E Dickenson Pl, Denver, CO 80222; Team 132

Contact for student:

Positions filled for 2016/2017 academic year. Please check back in the future!

Program Description:

The Evaluation Team utilizes innovative evaluation strategies and methodologies to demonstrate the successes and areas for improvement of the various services and programs of the Mental Health Center of Denver. These services and programs include, but are not limited to, clinical services (physical, mental, oral health), and public health programming such as housing, education, and access to healthy food.

Title and Hours required:

Program Evaluation Intern, 8 hours minimum per week, 3-6 month commitment

Minimum Qualifications and # of openings:

1st Year Masters, 2 positions.

Student Supervisor's Credential Level:

Ph.D.

Duties of Placement and Miscellaneous Information:

The student will have the opportunity to learn about program evaluation in a community mental health setting and practice evaluation skills that contribute to projects aimed at improving the programs and practices for our consumers. Under the supervision of the Program Evaluation Manager and/or Senior Evaluator, the student will have the opportunity to develop a project that meets the needs of the student's placement requirements. Additionally, the student will have the opportunity to learn to use evaluation tools such as Qualtrics, SQL, N.Vivo, ArcGIS, Stata, or Tableau. There will also be opportunities to participate in seminars over the course of the internship that will expose the student to other professionals in the behavioral health field
