During 2015, significant in-kind goods were donated to the Mental Health Center of Denver’s resource centers by individuals, groups and businesses throughout the community. These generous donations help assure that our clients have access to a wide variety of food, household products, clothing and other items.

We would also like to thank the many donors to our Gifts of Joy Holiday Gift Drive. Donations of cash, gift cards and toys helped bring the holiday spirit to people of all ages who receive treatment at the Mental Health Center of Denver.

We regret any omissions or errors.
