VOLUNTEER OPPORTUNITY | Food Box Program
---|---
PREFERRED VOLUNTEER START DATE | N/A
EXPECTED VOLUNTEER END DATE | N/A
SCHEDULE | Tuesdays 11:45 AM - 2:15PM
LOCATION | Dahlia Campus for Health & Well-Being
VOLUNTEER SUPERVISOR | Aquaponics Coordinator

PURPOSE

The Dahlia Campus Farms and Gardens connect people with healthy food as a keystone to a healthy lifestyle. Anyone in the area can sign up to receive a variety of affordable fresh greens and produce from the Farms and Gardens as part of our Food Box Program. Volunteers will have the opportunity to support the health of the community as well as learn about fresh greens and produce by working alongside farmers and food distribution specialists. Volunteers will provide weekly support related to distributing fresh healthy food in a community setting.

KEY RESPONSIBILITIES

- Arranging Weekly Food Box Program Orders
- Collecting Produce from the Aquaponic Greenhouse and Farm
- Weighing and Packaging Produce
- Cleaning and Sanitizing Plastic Boxes for Produce

QUALIFICATIONS

- Must be 18 years and older
- Must be able to stay standing for a long period of time
- Upon volunteer opportunity confirmation the volunteer is expected to complete a food safety training, as well as read and agree to the Dahlia Campus Kitchen Use Agreement.
