PURPOSE

2Succeed in Education is a psychiatric rehabilitation and supported education program that supports individuals in their recovery and promotes well-being. Our program acts as a bridge to the greater community, offering opportunities for individuals to participate in educational and wellness pursuits. A 2Succeed Tutor will assist in the support of individuals and their education by helping them with courses that range in varying degrees of difficulty from basic reading and math, to college level classes. I would encourage you to learn more about 2Succeed through our [webpage](#) before applying to volunteer.

KEY RESPONSIBILITIES

- Assist with tutoring individuals for GED or College classes
- Be prepared and consistent
- Communicate concerns with staff/supervisor
- Maintain appropriate boundaries
- Note: A staff member will facilitate all tutoring sessions

QUALIFICATIONS

- Self-starter
