LOCATION	Emerson St. for Teens & Young Adults / Virtual
VOLUNTEER SUPERVISOR	Assistant Program Manager for Emerson St. for Teens & Young Adults

PURPOSE

To support the Emerson St. for Teens & Young Adults program by tutoring youth. There is a specific need for math tutors and occasionally science tutors at the high school and college level. Emerson St. provides a supportive community for teens and young adults, ages 15 – 26, seeking connection and belonging. This inclusive, welcoming place offers a variety of activities and services that support young people in enhancing their mental health and overall well-being.

KEY RESPONSIBILITIES

- Assist with tutoring individuals in math or science for high School and college level classes
- Be prepared and consistent
- Communicate concerns with staff/supervisor
- Maintain appropriate boundaries
- Note: A staff member will facilitate all virtual tutoring

QUALIFICATIONS

- Experience in tutoring preferred
- Comfortable working with all different abilities and levels of education
- Patient and able to explain things more than once in a calm manner
- Share a passion for education
- High energy
- Minimum tutor age: 18
- Access to technology that allows you to video chat and virtually volunteer
